

# Sunshine Coast Occupational Therapy Inc.

**Cris A. Rowan** BScOT, BScBI

Registered Occupational Therapist  
Paediatrics, Geriatrics & Ergonomics

## *From Paediatrics to Geriatrics, Sunshine Coast Occupational Therapy Inc. offers a wide range of services!*

To achieve health of mind and body, individuals require optimal human function to maximize productivity. Through assessment, treatment design and intervention, Sunshine Coast Occupational Therapy Inc. offers insight into limitations to function, and subsequent strategies to obtain optimal ability. Interventions are evidence based, prioritized according to need and team focused.

### **Paediatrics...**

- Does your child have difficulty printing/reading?
- Do they have trouble focusing on a task?
- Does it feel like they're never listening?

**Find out how you can help your child.**

### **Ergonomics...**

- Sore back or neck?
- Carpal Tunnel?
- Work stressing you out?

**Pain is not only frustrating, it also reduces worker efficiency, productivity and job satisfaction.**

### **Geriatrics...**

- Are you worried about your loved one's safety?
- Have they recently fallen?
- Are they not getting out as much as they used to?

**Find out what your options are.**

*KIDS OUTREACH - We also offer traveling Paediatric Occupational and Physio Therapy services.
