

Goodness, Gracious! Great Balls o' Flour (and how to make them)

Materials:

- ✓ 2 Helium quality balloons of the same colour
- ✓ flour, fine or coarse salt, tapioca, rice, hair gel, etc. - let your imagination run wild!
- ✓ a funnel
- ✓ a pair of scissors
- ✓ a chopstick is helpful

Step 1. pull the first balloon over the funnel
(as seen in picture at right)

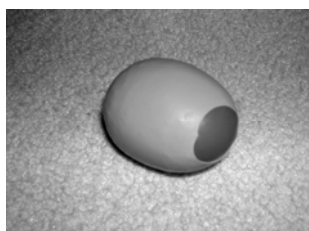

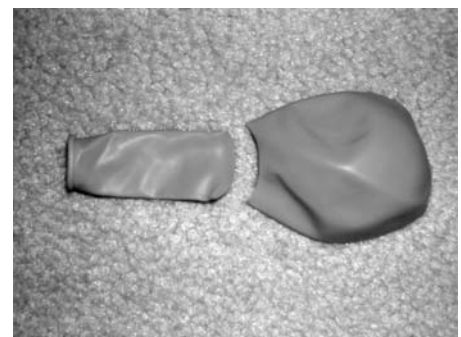

Step 2. pour flour, salt, etc. into balloon
and tamp in (using a chopstick for
this is helpful)

Step 3. tie off the balloon (as seen in
picture at left)

Step 4. cut off the "neck" off this balloon
that is unfilled

Step 5. cut the "neck" off of the second
balloon in a slight crescent shape
(as seen in picture at right)

Step 6. pull the second balloon overtop of the filled
balloon to finish the ball (as seen in picture at left)
